

GIRLS' HIGH SCHOOL & COLLEGE, PRAYAGRAJ

WORKSHEET- 1

SESSION -(2020-2021)

CLASS- 2A To 2F

SUBJECT- ENVIRONMENTAL EDUCATION

CHAPTER- SAFETY RULES

NOTE- Parents are requested to make the child read and understand the paragraphs and then answer the questions given below.

You should follow safety rules at home as well as outside the home. These rules avoid accidents. Here are some safety rules for you.

While on the Road-

- Always walk on the footpath.

- Walk on the left side of the road.
- Always cross the road at the zebra crossing. If there is no zebra crossing, wait till the road is clear.
- Never play on the road. A running vehicle may hit you.
- Do not tease stray animals you find on the road.

In very big cities, you may find a pedestrian traffic light. In this case, cross the road when the light is green.

While travelling in a bus-

- Stand in a queue at the bus stop.
- Never lean out or put your hand out of the window of a moving bus.

- Never get in or get off a moving bus.

At home-

- Do not touch electric switches and wires with wet hands.
- Do not play with sharp things like blade or knives.
- Do not play with fire.
