I WONDER

By: Jeannie Kirby

I wonder why the grass is green,
And why the wind is never seen?

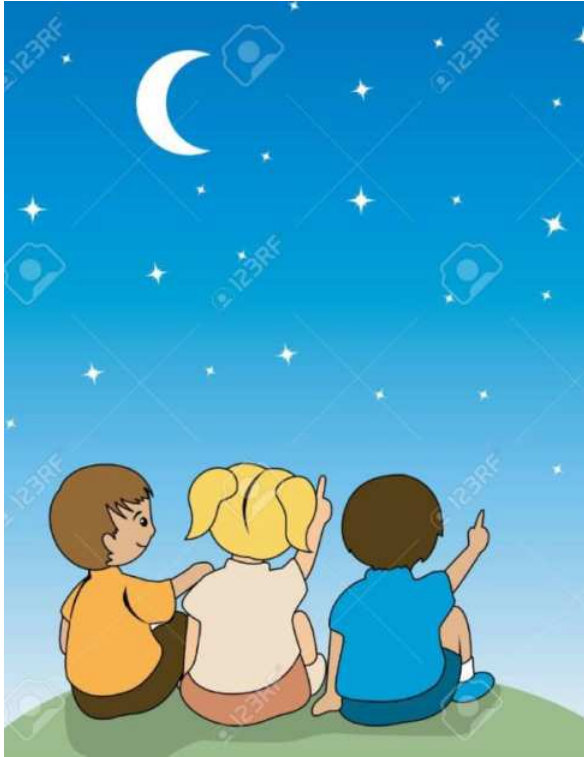

**Who taught the birds to build a nest,
And told the trees to take a rest?**

**O, when the moon is not quite round,
Where can the missing bit be found?**

**Who lights the stars, when they blow
out,
And makes the lightning flash about?**

**Who paints the rainbow in the sky,
And hangs the fluffy clouds so high?**

**Why is it now, do you suppose,
That Dad won't tell me, if he knows?**

Note:- The parents can log into the link provided below and make the child listen to the poem.
