

Girls' High School and College, Prayagraj

Worksheet-1

Session 2020-2021

Class 4 A-F

Subject - General Knowledge

Topic -1 Animals and their Feeding Habits

Instructions - Parents kindly ensure that the child reads the lesson carefully before attempting the Exercises given below -

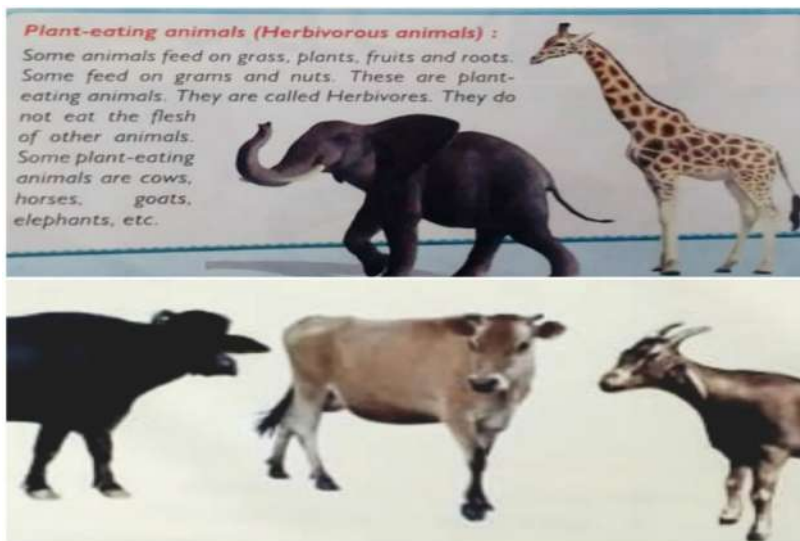

*Animals are living things. Like us and plants, they also grow. They need food and water to live, grow and move about.

* Plants are able to make their own food but animals are not. Different animals have their different eating habits. They eat either plants or the flesh of other animals.

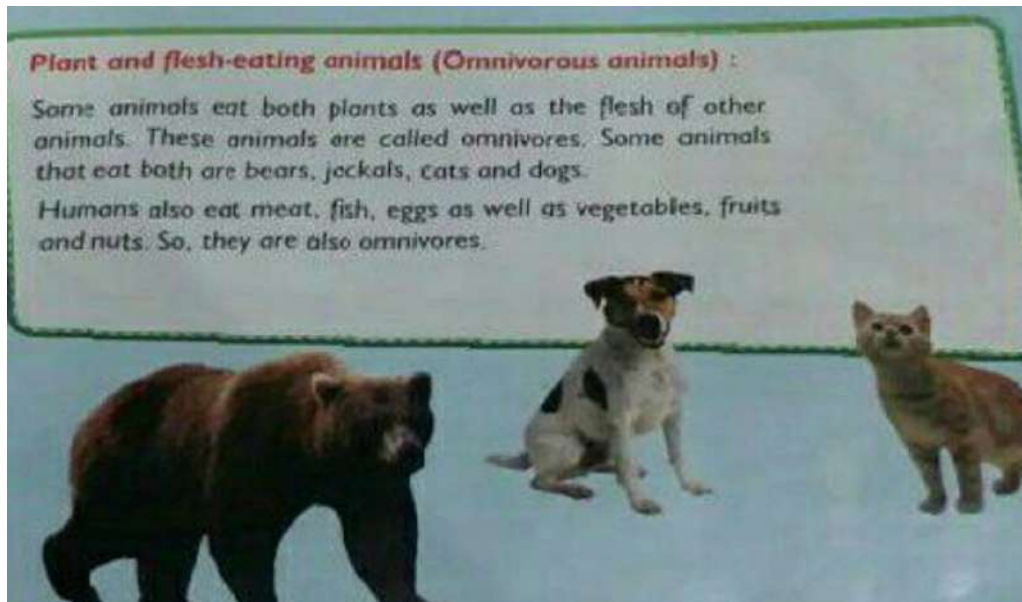

* Some animals eat plants, other animals eat the plant - eating animals. Hence, all the animals depend on plants for their food. Hence, directly or indirectly all the animals depend on plants for their food.

* The animals are classified into three groups on the basis of their feeding habits -

a) Herbivorous animals

b) Omnivorous animals

c) Carnivorous animals

EX. 1 - Fill in the blanks -

1. _____ animals do not eat plants.
2. Animals are _____ things.
3. Plants are able to make their own food but _____ are not.
4. Different animals have _____ eating habits.
5. Goats are _____ by nature.

EX. 2 - State whether true or false -

1. Jackals, cats and dogs are omnivorous animals.
2. All animals depend on plants for food.
3. Elephants, horses and buffaloes are carnivorous animals.
4. Snakes and wolves are plant - eating animals.
5. Lizards and lions are carnivorous by nature.
