

Worksheet 3

Session:- 2020-2021

Class 4 A-F

Subject- English Language

Topic- Subject and Predicate

***Instruction: Parents to ensure that the child reads the notes and understands the same before attempting the exercises given below:**

- A sentence is a group of words that makes complete sense. Every sentence consists of two parts: Subject and Predicate.
- The Subject- is the noun or pronoun spoken about.
- The Predicate- is what is said about the noun or pronoun.

We can find the subject in a sentence by asking the question who? or what?

Eg: The fly is prey for the frog.

Q. What is prey for the frog?

A. The fly

The fly is the SUBJECT.

The remaining part of the sentence i.e. is prey for the frog is the PREDICATE.

Some more examples:

- ❖ My grandfather, who is old, walks four miles a day.
Subject- My grandfather, who is old
Predicate- walks four miles a day
- ❖ This beautiful garden is my own.
Subject- This beautiful garden
Predicate- is my own
