

GIRLS' HIGH SCHOOL&COLLEGE PRAYAGRAJ

SESSION:2020 21

CLASS 7A,B,C,D,E,F

MATHEMATICS PROJECT

INSTRUCTIONS

Students are suggested to refer the previous class book of Mathematics. Students can use loose sheets or any type of note book for making the project. The project must be done neatly. All constructions should be done using a pointed pencil.

TOPIC:CONSTRUCTION OF ANGLES

By using ruler and compasses construct the following angles.

(1) 90°

(2) 45°

(3) 30°

(4) 22.5° [Hint: Bisect the angle 45°]

(5) 75° [Hint: Bisect the angle between 60° & 90°]

...END....
