**SUMMARY OF THE LESSON**

Once upon a time, there was a boy. He was walking through a park where he saw a magic tree. The tree asked the boy to guess a few magic words. The tree said that if he could guess those words, he would be rewarded. The boy could not guess and gave up. At last, he said, "Please, dear tree". To his surprise, a big door opened in the trunk of the tree. The boy walked into the door. The boy said, "Thankyou, Magic Tree." Then he saw a bright light where he could see many toys. The boy called his friends to the magic tree and shared the magic words, "Please and Thankyou", with them.
