Instructions: - Parents are instructed to help the child to read, learn and solve the given exercises.

Lesson 2- Shake a Leg

Each and every form of dance is important, but the **Indian Classical Dance** plays its own role .It is accompanied by the **Indian Classical Music**. Each dance tells a story. Most of the stories are from the **Ramayana** and the **Mahabharata**. The dancers use their eyes, hands and face to tell the story. Given below are some famous Indian dances-

Classical Dances in India	
Dance Form	State of Origin
● Bharatanatyam	Tamil Nadu
● Chhau	Odisha, West Bengal, Jharkhand
● Gaudiya Nritya	West Bengal
● Kathak	Northern India (Uttar Pradesh)
● Kathakali	Kerala
● Kuchipudi	Andhra Pradesh
● Manipuri	Manipur
● Mohiniyattam	Kerala
● Odissi	Odisha
● Sattriya	Assam
● Than Ta	Manipur

Lesson 3- Reading the Weather- Changes take place in nature with the change of seasons-

Winter Season

It is a cold season which begins from Mid- November and stays till March. In this season kids like to do some fun winter activities for

example-making snowman, going skiing, sitting around the bonfire, sipping hot drinks etc.

Summer Season

It is the hottest season of the year. In this season kids enjoy their vacations and do some fun summer activities like swimming, going for picnics, enjoying cold drinks on the beach etc.

Spring Season

Spring is the season after winter and before summer. In this season days become longer and weather gets warmer. Kids play and enjoy with their friends by planting trees, painting and cycling etc.

Autumn Season

Autumn is the season after summer and before winter. In this season trees shed their leaves and weather gets colder.
