WORKSHEET NO. 2

SESSION 2020 - 2021

CLASS 4 A TO F

LESSON- NATURE RELATED IMAGES

**INSTRUCTION** -Parents please ensure that your ward does the following work in their ART FILE. If a new ART FILE is not available, then the work can be done in the old ART FILE or on a plain sheet of paper.

The word nature and natural are used for all things that are usually not man-made. Artwork based on nature can take many forms and serve many purposes because "nature" is such a huge topic that has so many things in it. Nature-related art includes : flowers, plants, trees, botany, animals, weather, water, fire, environment, leaves, sticks, stones, bones, water, etc.

**Nature** in **art** can take many visual forms. **Art** can mimic **nature**, by seeking to visually replicate objects as they actually appear in real life.
