

Girls' High School And College, Prayagraj

Maths Worksheet No-5

Session- 2020-21

Class- Nursery (A-F)

Make the child write 5 in the square on the dots.

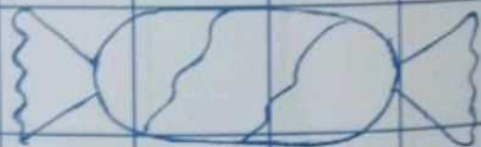

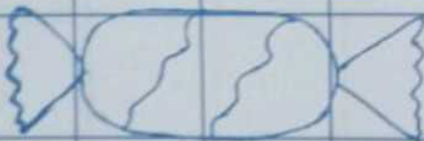

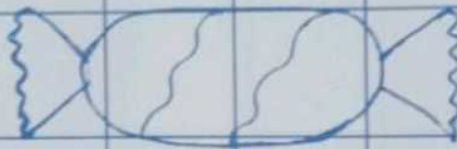

A handwritten practice sheet on a grid. At the top, the text "C.W" is written in blue ink. Below it, the number "5" is written in blue ink in five separate squares. Underneath each "5" is a small black dot. The grid continues with four more rows of these dots. At the bottom center of the page, there is a small red hexagonal icon containing the number "13".

Let the child colour the picture and write 5.
